

# EDUCATIONAL TOOLKIT YOUTH 4CLIMATE LIVE SERIES

**DRIVING MOMENTUM TOWARDS  
PRE-COP AND COP26**

Office of the  
**Secretary-General's  
Envoy on Youth**

# ABOUT

Welcome to the #Youth4ClimateLive Educational Toolkit! Throughout this interactive document, you'll find handy hyperlinks to accessible climate engagement materials. Click on the various topics indicated by white arrows and underscores to gain instant access to regularly updated Connect4Climate articles on each subject. Every article contains curated resources divided into two categories: "Get Your Feet Wet," for those looking for a quick overview of a given subject, and "Dive Deeper," for those seeking scholarly writing and in-depth studies.

**UNSTOPPABLE**

## SUPPORTING EDUCATORS

### JOIN

our community! Educators can sign-up to receive our dedicated educational newsletter for more tips and tools.

### FIND

an accessible and engaging platform for exploring the world of climate impacts, solutions and policies through inspirational youth-led conversations

### INTEGRATE

climate action into any curriculum

## HELPING STUDENTS

### CONNECT

with young climate advocates from around the world

### INCREASE

knowledge of climate policy processes and enhance climate literacy on key topics to strengthen youth participation in decision-making spaces such as Pre-COP and COP26.

### LEARN

from young leaders who are implementing climate solutions within their own communities

### MEET

movers & shakers from the global climate policy landscape

“If we wish to achieve a just and sustainable future, we must increase youth participation & meaningful engagement in decision-making processes.”

**Jayathma Wickramanayake**  
UN Secretary-General's Envoy on Youth

## WHAT IS YOUTH4CLIMATE LIVE?

**HOSTED BY** the Italian Ministry for the Environment, Land and Sea, in collaboration with Connect4Climate - World Bank Group and the office of the UN Secretary-General's Envoy on Youth, the #Youth4ClimateLive Series builds momentum towards the **Milan Pre-COP26 Youth4Climate: Driving Ambition** event in **September 2021** and the following **UN Climate Change Summit (COP26)**.

## WHERE CAN YOU WATCH IT?

**MONTHLY LIVE SESSIONS** will air throughout the 20-21 school year, ending in March 2021 - you can [register to join us on Zoom here](#). In each episode moderators Salina Abraham and Ahmed Badr bring together a diverse group of unstoppable youth at the forefront of creative climate action to have intergenerational and interactive conversations with policy makers and experts.

## HOW CAN YOU GET INVOLVED?

**WE ENCOURAGE** all young people to join us live for each episode so they can add their voices to the conversation by being active participants in the virtual room and sharing their ideas on social media with the hashtag #Youth4ClimateLive.

Click to find out more about the Pre-COP Youth4Climate event in Milan next year!

# WHY NOW?

## WE AIM TO **ENGAGE, EDUCATE & EXCITE**

a worldwide cohort of young people so they can collaborate with their peers, lead their communities, and encourage policymakers to enact meaningful climate action at the local and global levels.

2021 will be a pivotal year for climate policy, with Italy and the UK partnering to host the UN Climate Summit (COP26) in Glasgow in November and the preparatory conference (Pre-COP26) in Milan from 30 September to 2 October.

Join the #Youth4ClimateLive Series to help us build momentum towards these events by preparing and positioning young people to be integral partners in pushing for urgent and ambitious climate action.

# LEARN

The Youth4Climate Live Series can act as an entry point for climate novices, helping students understand key issues and discover actionable takeaways.
